

The Good Shepherd

Directions: The objective of the game is to find the most lost sheep. Place the sheep cards face up on the game board on the big sheep. Set an egg timer for a specified time. Place your markers on "START". Roll the die and move that many spaces. If you land on a sheep that says "FOUND", take 1 sheep card from the pile. If you land on a sheep that says "LOST", return 1 sheep card to the pile. Players must collect as many lost sheep as they can as they move around the board. Note that the board is set up so you can move around it many times. The game is over when the egg timer goes off. Whoever has the most lost sheep, wins.
