**Worksheet for ages 11 to 14 years old**

1. What day is it, today, in the Church's calendar?

What day was it, last Wednesday? What was special about that day?

What is Lent?

2. From which book of the Bible is today's first reading?

How did the serpent tempt the woman to disobey God? Why did she give in to temptation?

3. From which book of the Bible is today's Gospel reading?

What did Jesus do, in this reading? How long was He in the desert? What was He doing?

If Jesus needed to make time to be alone and pray, do you think you do, too?

What does it mean to fast?

You can fast, too, however you don't have to fast from food. What are some things you can "fast from" for Lent? (For example, TV, candy, yelling, avoiding chores, etc.)

*4. Answer to last week's question: There is an important difference between "Catholic" and "Christian." All Christians believe Jesus is the Son of God and died for our salvation, therefore all Catholics are Christians. However only Catholics believe the pope is the representative of Christ here on earth. Other Christians, or Protestants, do not follow the pope. There are other points of difference between Catholic-Christians and Protestant-Christians, such as the 7 Sacraments. If you are interested research this topic. It is very interesting!*
