In this week's Gospel, Jesus tells us exactly what He wants us to do in His name: feed the hungry, provide clothing for people in need, visit the sick and those in prison. We call these works of mercy - and it is important to understand that God is asking us to not only love Him, but show our love for Him by taking care of one another!

YOU can perform these important works of mercy! Find out if your city or town has a food pantry, and ask your parents if you can donate some items!

FOR MORE FUN!

- ★ Take a moment to listen to and watch your classmates - is there someone who seems lonely or left out? Make it a point to be kind to this person! People can feel lonely even when they are surrounded by other people - especially new students!
- ★ Saints are ordinary people who accomplished "extra"ordinary things in their lifetime or even after their deaths! Ask your parent or teacher who their favorite Saint is and why, talk about how a person becomes a Saint! No one is born a Saint, but all Saints have one thing in common - they loved God and showed Him this by how they lived their lives! Decide what you are going to do this week to show others by deeds, words and actions that you love Jesus!
