Today we celebrate the Sixth Sunday of Easter. In our Gospel passage for this week from John 15:9-17, *Jesus shares with us that the most important thing we can do on this earth is to love one another.* So many other good things come from loving one another: being kind and not hurting each other by our words or our actions, making sure that everyone has food and shelter, and spreading peace in our world. If we each do our best to follow Jesus' commandment that we love one another as He loves us, our world will definitely be a much better place!

While you color this week, think about Jesus' love for you and how you can share this love with the people in your life. Can you do something to help mom or dad around the house? Can you play a game with a younger brother or sister? Can you be extra kind to a friend at school who may be feeling lonely or sad? Jesus is waiting to talk with you in prayer. Think about how you can let Jesus' wonderful love shine through you! Take some quiet time to pray as you color.

FOR MORE FUN

- ★ Now, write a list of all the people who LOVE you!
- ★ Think about someone that is hard for you to love - a classmate or neighbor or family member, ask Jesus to help you love them the way HE loves you!
- ★ Color the attached picture of Our Lady. If you can, learn something new about Our Lady of Lourdes! The Blessed Mother has time and again appeared to children and humble people asking them to Pray -and specifically pray the Rosary! Visit FamilyRosary.org for Rosary resources.
