SUNDAY GOSPEL ACTIVITIES

Family Activity Page

The 4th Sunday of Advent **Luke 1:26–38**

The Gospel is all about the Annunciation, when the Angel Gabriel was sent by God to ask Mary if she would be Jesus' Mother. Mary said "yes!" to God, which meant that Jesus was coming! Mary knew that God's Will was the best plan for her life and for all of those around her. Because of Mary's yes, we get to go to Heaven! Her mission was to bear Christ into the world, to be His mother and our mother.

How can you say "yes" to God and bring Jesus to those around you, like Mary did?

Activities:

- How can you say "yes" to God as Christmas approaches? Brainstorm ways with your family that you can continue to spread Jesus' peace and joy this Christmas.
- All of us—young and old—have a mission in our lives. What is your mission? Do you live it out?
- Discuss as a family the ways you've seen how God's plan is always better than we could plan ourselves.
